

The “Ding” Darling Wildlife Society would like to thank our Guest Contribution Partners. Their support is going directly to the Society which helps the Refuge in their work of wildlife and habitat protection and the education of nearly 800,000 visitors coming each year to the J.N. “Ding” Darling National Wildlife Refuge.

As a partner, guests voluntarily donate \$1 for every night they stay on the island, with many of them giving more! For Tarpon Bay Explorers, customers are asked if they would like to donate \$1 after every purchase. Our partners are making a real difference in the work we can accomplish within the J.N. “Ding” Darling NWR. Our current members are Jensen’s Marina & Cottages, South Seas Resort, Sanibel Moorings, Parrot Nest Motel, Kona Kai Motel, Tarpon Tale Inn, Mitchell’s Sand Castles and Tarpon Bay Explorers. Since its inception more than \$100,000 has been raised to support the Refuge and its conservation work. We are still recruiting members to this program; if you are interested please contact our Executive Director Birgie Miller at [director@dingdarlingsociety.org](mailto:director@dingdarlingsociety.org) or by calling 239-292-0566.
