Draft Restoration Plan and Environmental Assessment #2, Provide and Enhance
Recreational Opportunities: Relocate the Lake Charles Science Center & Educational
Complex
Coastwide, Louisiana

Dear Mr. Landers:

The above referenced project has been reviewed for consistency with the Louisiana Coastal Resources Program in accordance with Section 307 (c) of the Coastal Zone Management Act of 1972, as amended. It has been determined that the captioned project falls outside the Coastal Zone and has no significant effects on the Coastal Zone. The project, therefore, requires no formal consistency review and this Department has no objection.

It should be noted that another project in the same area may be deemed to impact the Coastal Zone and require consistency review. For this reason we request that your agency continue to submit applications to this Department for any other projects in the area. If you have any questions concerning this determination please contact Jeff Harris of the Consistency Section at (225) 342-7949 or jeff.harris@la.gov.

Sincerely,

/S/ Charles Reulet
