### John H. Chafee Coastal Barrier Resources System (CBRS) Unit MD-01P, Assateague Island, Maryland Summary of Proposed Changes

**Type of Unit:** Otherwise Protected Area (OPA)

**County:** Worcester

**Congressional District:** 1

#### Existing Maps:

The existing CBRS maps depicting this unit are:

- [24-001A](#) dated August 1, 2014
- [24-002A](#) dated August 1, 2014
- [24-003A](#) dated August 1, 2014

#### Proposed Boundary Notice of Availability:

The U.S. Fish & Wildlife Service (Service) opened a public comment period on the proposed changes to Unit MD-01P via *Federal Register* notice. The *Federal Register* notice and the proposed boundary (accessible through the CBRS Projects Mapper) are available on the Service's website at [www.fws.gov/cbra](http://www.fws.gov/cbra).

#### Establishment of Unit:

The Coastal Barrier Improvement Act (Pub. L. 101-591), enacted on November 16, 1990 (56 FR 26304), originally established Unit MD-01P.

#### Historical Changes:

The CBRS maps for this unit have been modified by the following legislative and/or administrative actions:

- *Federal Register* notice (80 FR 25314) published on May 4, 2015, in accordance with Section 3 of Pub. L. 101-591

For additional information on historical legislative and administrative actions that have affected the CBRS, see: <https://www.fws.gov/cbra/Historical-Changes-to-CBRA.html>.

#### Proposed Changes:

There are no proposed changes to the unit.

### John H. Chafee Coastal Barrier Resources System (CBRS) Unit MD-03P, Sound Shore, Maryland Summary of Proposed Changes

**Type of Unit:** Proposed new Otherwise Protected Area (OPA)  
**County:** Somerset  
**Congressional District:** 1

#### Proposed Boundary Notice of Availability:

The U.S. Fish & Wildlife Service (Service) opened a public comment period on proposed new Unit MD-03P via *Federal Register* notice. The *Federal Register* notice and the proposed boundary (accessible through the CBRS Projects Mapper) are available on the Service's website at [www.fws.gov/cbra](http://www.fws.gov/cbra).

#### Proposed New Unit:

##### *New Unit CBRS Status:*

The area proposed for inclusion within new OPA Unit MD-03P is:

- Not currently within the CBRS

##### *New Unit Area:*

Included within new OPA Unit MD-03P are the following area(s):

- Portions of the Maryland Marine Properties Wildlife Management Area (owned by the Maryland Department of Natural Resources), located along Pocomoke Sound east of Marumsco Creek
- Portions of Chesapeake Forest lands (owned by the Maryland Department of Natural Resources), one area located south of Back Shelltown Road and another area west of Williams Point Road
- Wetlands held for conservation and/or recreation by The Conservation Fund, located north of the Maryland Marine Properties Wildlife Management Area
- Small areas of undeveloped fastland that are privately owned and not held for conservation and recreation, located along Back Shelltown Road
- Wetlands associated with Marumsco Marsh that are privately owned and not held for conservation and/or recreation

## U.S. Fish & Wildlife Service

### John H. Chafee Coastal Barrier Resources System (CBRS) Unit MD-03, Sound Shore, Maryland Summary of Proposed Changes

**Type of Unit:** System Unit

**County:** Somerset

**Congressional District:** 1

#### **Existing Map:**

The existing CBRS map depicting this unit is:

- [24-004A](#) dated August 1, 2014

#### **Proposed Boundary Notice of Availability:**

The U.S. Fish & Wildlife Service (Service) opened a public comment period on the proposed changes to Unit MD-03 via *Federal Register* notice. The *Federal Register* notice and the proposed boundary (accessible through the CBRS Projects Mapper) are available on the Service's website at [www.fws.gov/cbra](http://www.fws.gov/cbra).

#### **Establishment of Unit:**

The Coastal Barrier Improvement Act (Pub. L. 101-591), enacted on November 16, 1990 (56 FR 26304), originally established Unit MD-03.

#### **Historical Changes:**

The CBRS map for this unit has been modified by the following legislative and/or administrative actions:

- *Federal Register* notice (62 FR 8258) published on February 24, 1997, in accordance with Section 3 of Pub. L. 101-591
- *Federal Register* notice (80 FR 25314) published on May 4, 2015, in accordance with Section 3 of Pub. L. 101-591

For additional information on historical legislative and administrative actions that have affected the CBRS, see: <https://www.fws.gov/cbra/Historical-Changes-to-CBRA.html>.

#### **Proposed Changes:**

The proposed changes to Unit MD-03 are described below.

##### *Proposed Additions:*

- Wetlands and small areas of undeveloped fastland along Marumsco Creek east of Rumbly Point Road and south of Marumsco Road
- Portions of Pocomoke Sound

##### *Other Modifications/Information:*

- Portions of Maryland Marine Properties Wildlife Management Area (owned by the Maryland Department of Natural Resources (MD DNR)) are currently within System Unit MD-03. The Wildlife Management Area was held for conservation and/or recreation before the area was included in 1990 within System Unit MD-03, but is not proposed for reclassification to an Otherwise Protected Area. During the stakeholder outreach phase of the project, the Service did not receive an official response from the MD DNR regarding the areas it owns. Therefore, no changes were made to the CBRS unit type classification of this area.

For information about the Service's guiding principles and criteria for assessing modifications to the CBRS, visit [www.fws.gov/cbra](http://www.fws.gov/cbra).

#### Proposed Changes:

The proposed changes to Unit MD-04P are described below.

##### *Proposed Additions:*

- Portions of the Little Annemessex River, Daugherty Creek, and Daugherty Creek Canal
- A small area of wetlands along the east side of the Daugherty Creek Canal that is located within Janes Island State Park
- Minor areas of wetlands that are privately owned and not held for conservation and/or recreation, located along the east side of Daugherty Creek north of McCready Memorial Hospital
- Wetlands that are both publicly and privately owned and not held for conservation and/or recreation, located along the east side of the Little Annemessex River west of Maryland Avenue and Collins Street
- Cedar Island Marsh Sanctuary (owned by the Crisfield Heritage Foundation Inc, a local heritage organization). This property, located south of the City of Crisfield adjacent to Jenkins Creek and Somers Cove Marina, is subject to a conservation easement held by the Maryland Environmental Trust.
- Wetlands and small areas of undeveloped fastland that are privately owned and not held for conservation or recreation, located on the east and west side of Cedar Island Marsh Sanctuary
- One privately owned residential structure located on Hammock Point

## Unit MD-04P Summary of Proposed Changes (continued)

- Wetlands and small areas of fastland on several privately owned properties that are subject to conservation easements (held by the Maryland Environmental Trust, a quasi-public conservation entity), located east of the Cedar Island State Wildlife Management Area along Jenkins Creek, Broad Creek, Massey Creek, and Fishing Ditch
- Wetlands that are privately owned and not held for conservation or recreation, located east of the Cedar Island State Wildlife Management Area along Jenkins Creek, Broad Creek, Massey Creek, Fishing Ditch, Little Ware Point Creek, and Pocomoke Sound

### *Proposed Reclassifications:*

- From OPA Unit MD-04P to System Unit MD-06: A small portion of the Daugherty Creek channel, located on the north side of Janes Island State Park

#### **Historical Changes:**

The CBRS map for this unit has been modified by the following legislative and/or administrative actions:

- *Federal Register* notice (80 FR 25314) published on May 4, 2015, in accordance with Section 3 of Pub. L. 101-591

For additional information on historical legislative and administrative actions that have affected the CBRS, see: <https://www.fws.gov/cbra/Historical-Changes-to-CBRA.html>.

#### **Proposed Changes:**

The proposed changes to Unit MD-08P are described below.

##### *Proposed Additions:*

- Portions of Big Annemessex River, Shirtpond Cove, and Mine Creek
- Wetlands and small areas of fastland that are privately owned and not held for conservation and/or recreation, located south of Frenchtown Road and east of Mine Creek

##### *Other Modifications/Information:*

- A portion of Hazard Island that is privately owned and not held for conservation and/or recreation is currently located within OPA Unit MD-08P. This area is designated as OPA because the coastal barrier system is predominantly held for conservation and/or recreation.

For information about the Service's guiding principles and criteria for assessing modifications to the CBRS, visit [www.fws.gov/cbra](http://www.fws.gov/cbra).

## U.S. Fish & Wildlife Service

### John H. Chafee Coastal Barrier Resources System (CBRS)

#### Unit MD-26, Boone Creek, Maryland

#### Summary of Proposed Changes

**Type of Unit:** System Unit

**County:** Talbot

**Congressional District:** 1

#### Existing Map:

The existing CBRS map depicting this unit is:

- [24-014A](#) dated August 1, 2014

#### Proposed Boundary Notice of Availability:

The U.S. Fish & Wildlife Service (Service) opened a public comment period on the proposed changes to Unit MD-26 via *Federal Register* notice. The *Federal Register* notice and the proposed boundary (accessible through the CBRS Projects Mapper) are available on the Service's website at [www.fws.gov/cbra](http://www.fws.gov/cbra).

#### Establishment of Unit:

The Coastal Barrier Improvement Act (Pub. L. 101-591), enacted on November 16, 1990 (56 FR 26304), originally established Unit MD-26.

#### Historical Changes:

The CBRS map for this unit has been modified by the following legislative and/or administrative actions:

- *Federal Register* notice (80 FR 25314) published on May 4, 2015, in accordance with Section 3 of Pub. L. 101-591

For additional information on historical legislative and administrative actions that have affected the CBRS, see: <https://www.fws.gov/cbra/Historical-Changes-to-CBRA.html>.

#### Proposed Changes:

The proposed changes to Unit MD-26 are described below.

##### *Proposed Removals:*

- A small area of fastland including two structures located at the end of Langs Landing Road
- Small areas of fastland including three structures located along Boone Creek Road near its terminus
- A small area of fastland including four structures located on Chanticleer Road

##### *Proposed Additions:*

- Portions of Boone Creek and associated wetlands at the end of Boone Creek Road
- Wetlands along Boone Creek east of Bachelors Point Road and south of Langs Landing Road

For information about the Service's guiding principles and criteria for assessing modifications to the CBRS, visit [www.fws.gov/cbra](http://www.fws.gov/cbra).

## Unit MD-26 Summary of Proposed Changes (continued)

### Acreage, Shoreline, and Structure Information:

The table below includes the acreage, shoreline, and structure changes associated with the proposed boundary of Unit MD-26.

	<i>Total Acres</i>	<i>Fastland Acres*</i>	<i>Associated Aquatic Habitat Acres**</i>	<i>Shoreline Miles</i>	<i>Structures***</i>
Existing Unit	150	14	136	0.3	
Added to the CBRS	12	1	11		0
Removed from the CBRS	11	10	1		9
Reclassified Area****	0	0	0		0
Proposed Unit	151	5	146	0.3	
Net Change	1	(9)	10	0.0	(9)

---

\*Land above mean high tide.

\*\*Associated aquatic habitat includes wetlands, marshes, estuaries, inlets, and open water landward of the coastal barrier, but does not include open water seaward of the shoreline. This information is derived from National Wetlands Inventory data.

\*\*\*Approximate structure count derived from base map imagery. Gas and liquid storage tanks, structures without walls and a roof (e.g., picnic shelters), structures with fewer than 200 square feet, structures that are not affixed to a permanent site (e.g., recreational vehicles), and structures that are not located principally above ground are not included in this structure count because they do not meet the statutory definition of a "structure" (16 U.S.C. 3503(g)(2)).

\*\*\*\*Reclassification means to change either all or a portion of a System Unit to an Otherwise Protected Area, or vice-versa.

#### Proposed Changes:

The proposed changes to Unit MD-27 are described below.

##### *Proposed Removals:*

- A small area of fastland, including two structures near the end of Benoni Point Road
- Portions of open water in the Choptank River

##### *Proposed Additions:*

- A small area of wetlands to the east of Benoni Point Road near its terminus

##### *Other Modifications/Information:*

- Modification of the boundary of the unit to account for erosion along the shoreline on the eastern side of the unit

### John H. Chafee Coastal Barrier Resources System (CBRS)

#### Unit MD-29, Rich Neck, Maryland

#### Summary of Proposed Changes

**Type of Unit:** System Unit

**County:** Talbot

**Congressional District:** 1

#### Existing Map:

The existing CBRS map depicting this unit is:

For additional information on historical legislative and administrative actions that have affected the CBRS, see: <https://www.fws.gov/cbra/Historical-Changes-to-CBRA.html>.

#### Proposed Changes:

The proposed changes to Unit MD-29 are described below.

##### *Proposed Removals:*

- An area of fastland including approximately 18 structures near the end of Rich Neck Road

##### *Other Modifications/Information:*

- Areas that are privately owned but subject to a conservation easement (co-held by The Nature Conservancy, the Maryland Environmental Trust, and the Maryland Historical Trust) are currently located within System Unit MD-29. These areas are not proposed for reclassification to an Otherwise Protected Area because the conservation easement was not in place when these areas were first included in 1990 within the CBRS.

## U.S. Fish & Wildlife Service

### John H. Chafee Coastal Barrier Resources System (CBRS)

#### Unit MD-35, Wilson Pond, Maryland

#### Summary of Proposed Changes

**Type of Unit:** System Unit

**County:** Kent

**Congressional District:** 1

#### Existing Map:

The existing CBRS map depicting this unit is:

- [24-017A](#) dated August 1, 2014

#### Proposed Boundary Notice of Availability:

The U.S. Fish & Wildlife Service (Service) opened a public comment period on the proposed changes to Unit MD-35 via *Federal Register* notice. The *Federal Register* notice and the proposed boundary (accessible through the CBRS Projects Mapper) are available on the Service's website at [www.fws.gov/cbra](http://www.fws.gov/cbra).

#### Establishment of Unit:

The Coastal Barrier Improvement Act (Pub. L. 101-591), enacted on November 16, 1990 (56 FR 26304), originally established Unit MD-35.

#### Historical Changes:

The CBRS map for this unit has been modified by the following legislative and/or administrative actions:

- *Federal Register* notice (80 FR 25314) published on May 4, 2015, in accordance with Section 3 of Pub. L. 101-591

For additional information on historical legislative and administrative actions that have affected the CBRS, see: <https://www.fws.gov/cbra/Historical-Changes-to-CBRA.html>.

#### Proposed Changes:

The proposed changes to Unit MD-35 are described below.

##### *Proposed Removals:*

- A small area of undeveloped fastland west of Eastern Neck Road on the north side of the unit

##### *Proposed Additions:*

- Two privately owned structures located south of Wilson Pond
- Undeveloped fastland and wetlands on Wilson Point and around Wilson Pond, Long Cove, and Short Cove
- Long Cove, Short Cove, and portions of the Chesapeake Bay and Eastern Neck Narrows

For information about the Service's guiding principles and criteria for assessing modifications to the CBRS, visit [www.fws.gov/cbra](http://www.fws.gov/cbra).

The Coastal Barrier Improvement Act (Pub. L. 101-591), enacted on November 16, 1990 (56 FR 26304), originally established Unit MD-37P.

#### Historical Changes:

The CBRS map for this unit has been modified by the following legislative and/or administrative actions:

- *Federal Register* notice (62 FR 8258) published on February 24, 1997, in accordance with Section 3 of Pub. L. 101-591
- *Federal Register* notice (80 FR 25314) published on May 4, 2015, in accordance with Section 3 of Pub. L. 101-591

For additional information on historical legislative and administrative actions that have affected the CBRS, see: <https://www.fws.gov/cbra/Historical-Changes-to-CBRA.html>.

#### Proposed Changes:

There are no proposed changes to the unit.

#### Other Modifications/Information:

- Minor areas of undeveloped fastland and wetlands that are privately owned and not held for conservation and/or recreation, located south of Flag Ponds Nature Park, are currently within OPA Unit MD-37P. These areas are not proposed for reclassification to a System Unit.

#### Proposed Boundary Notice of Availability:

The U.S. Fish & Wildlife Service (Service) opened a public comment period on the proposed changes to Unit MD-45 via *Federal Register* notice. The *Federal Register* notice and the proposed boundary (accessible through the CBRS Projects Mapper) are available on the Service's website at [www.fws.gov/cbra](http://www.fws.gov/cbra).

#### Establishment of Unit:

The Coastal Barrier Improvement Act (Pub. L. 101-591), enacted on November 16, 1990 (56 FR 26304), originally established Unit MD-45.

#### Historical Changes:

The CBRS map for this unit has been modified by the following legislative and/or administrative actions:

- *Federal Register* notice (80 FR 25314) published on May 4, 2015, in accordance with Section 3 of Pub. L. 101-591

For additional information on historical legislative and administrative actions that have affected the CBRS, see: <https://www.fws.gov/cbra/Historical-Changes-to-CBRA.html>.

#### Proposed Changes:

The proposed changes to Unit MD-45 are described below.

##### *Proposed Removals:*

- Fourteen structures located along the northern end of Murray Road

##### *Proposed Additions:*

- Portions of St. Jerome Creek south of St. Jerome Point
- A small area of wetlands along St. Jeromes Neck Road at St. Jerome Point
- Wetlands east and north of Bradburn Lane near its terminus

### John H. Chafee Coastal Barrier Resources System (CBRS) Unit MD-48P, Point Lookout, Maryland Summary of Proposed Changes

**Type of Unit:** Otherwise Protected Area (OPA)

**County:** St. Mary's

**Congressional District:** 5

#### **Existing Map:**

The existing CBRS map depicting this unit is:

- [24-018A](#) dated August 1, 2014

#### **Proposed Boundary Notice of Availability:**

The U.S. Fish & Wildlife Service (Service) opened a public comment period on the proposed changes to Unit MD-48P via *Federal Register* notice. The *Federal Register* notice and the proposed boundary (accessible through the CBRS Projects Mapper) are available on the Service's website at [www.fws.gov/cbra](http://www.fws.gov/cbra).

#### **Establishment of Unit:**

The Coastal Barrier Improvement Act (Pub. L. 101-591), enacted on November 16, 1990 (56 FR 26304), originally established Unit MD-48P.

#### **Proposed Changes:**

The proposed changes to Unit MD-48P are described below.

##### *Proposed Removals:*

- Approximately 20 structures located at the end of Cornfield Harbor Drive and along Loretta Landing Lane

##### *Proposed Additions:*

- Minor areas of wetlands that are privately owned and not held for conservation and/or recreation, located along Point Lookout Creek east of Cornfield Harbor Drive
- Portions of Point Lookout State Park, located south of Tanner Creek, north of Lake Conoy and Point Lookout Creek, and in the vicinity of Point Lookout

##### *Proposed Reclassifications:*

- From System Unit MD-47 to OPA Unit MD-48P: Portions of Point Lookout State Park south of the mouth of Tanner Creek and portions of the Chesapeake Bay

##### *Other Modifications/Information:*

- Wetlands and small areas of undeveloped fastland that are privately owned and not held for conservation and/or recreation are currently within OPA Unit MD-48P. These areas are not proposed for reclassification to a System Unit because the coastal barrier system is predominantly held for conservation and/or recreation.

## Unit MD-52 Summary of Proposed Changes (continued)

### Acreage, Shoreline, and Structure Information:

The table below includes the acreage, shoreline, and structure changes associated with the proposed boundary of Unit MD-52.

	<i>Total Acres</i>	<i>Fastland Acres*</i>	<i>Associated Aquatic Habitat Acres**</i>	<i>Shoreline Miles</i>	<i>Structures***</i>
Existing Unit	272	17	255	0.7	
Added to the CBRS	0	0	0		0
Removed from the CBRS	7	1	6		0
Reclassified Area****	0	0	0		0
Proposed Unit	265	16	249	0.7	
Net Change	(7)	(1)	(6)	0.0	0

\*Land above mean high tide.

\*\*Associated aquatic habitat includes wetlands, marshes, estuaries, inlets, and open water landward of the coastal barrier, but does not include open water seaward of the shoreline. This information is derived from National Wetlands Inventory data.

\*\*\*Approximate structure count derived from base map imagery. Gas and liquid storage tanks, structures without walls and a roof (e.g., picnic shelters), structures with fewer than 200 square feet, structures that are not affixed to a permanent site (e.g., recreational vehicles), and structures that are not located principally above ground are not included in this structure count because they do not meet the statutory definition of a "structure" (16 U.S.C. 3503(g)(2)).

\*\*\*\*Reclassification means to change either all or a portion of a System Unit to an Otherwise Protected Area, or vice-versa.

### John H. Chafee Coastal Barrier Resources System (CBRS) Unit MD-53, Blake Creek, Maryland Summary of Proposed Changes

**Type of Unit:** System Unit

**County:** St. Mary's

**Congressional District:** 5

#### **Existing Map:**

The existing CBRS map depicting this unit is:

- [24-022A](#) dated August 1, 2014

#### **Proposed Boundary Notice of Availability:**

The U.S. Fish & Wildlife Service (Service) opened a public comment period on the proposed changes to Unit MD-53 via *Federal Register* notice. The *Federal Register* notice and the proposed boundary (accessible through the CBRS Projects Mapper) are available on the Service's website at [www.fws.gov/cbra](http://www.fws.gov/cbra).

#### **Establishment of Unit:**

The Coastal Barrier Improvement Act (Pub. L. 101-591), enacted on November 16, 1990 (56 FR 26304) originally established Unit MD-53.

#### **Historical Changes:**

The CBRS map for this unit has been modified by the following legislative and/or administrative actions:

- *Federal Register* notice (80 FR 25314) published on May 4, 2015, in accordance with Section 3 of Pub. L. 101-591

For additional information on historical legislative and administrative actions that have affected the CBRS, see: <https://www.fws.gov/cbra/Historical-Changes-to-CBRA.html>.

#### **Proposed Changes:**

The proposed changes to Unit MD-53 are described below.

##### *Proposed Removals:*

- One structure located at the end of Blake Creek Road

##### *Other Modifications/Information:*

- An area that is privately owned and subject to a conservation easement (co-held by the Maryland Environmental Trust and the Maryland Historical Trust) is currently located within System Unit MD-53. This area is not proposed for reclassification to an Otherwise Protected Area because the conservation easement was not in place when the area was first included in 1990 within the CBRS.

For information about the Service's guiding principles and criteria for assessing modifications to the CBRS, visit [www.fws.gov/cbra](http://www.fws.gov/cbra).

#### **Proposed Changes:**

The proposed changes to Unit MD-54 are described below.

##### *Proposed Removals:*

- A small area of fastland, including one structure, located to the west of Belvidere Farm Road near its terminus
- A small area of fastland, including two structures, located east of Poplar Hill Creek Lane near its terminus

##### *Proposed Additions:*

- A small area of undeveloped fastland along the Potomac River at the mouth of Poplar Hill Creek
- Portions of Belvedere Creek and adjacent wetlands

##### *Other Modifications/Information:*

- Modification of the landward boundary of the unit to better follow the wetland/fastland interface, which results in some additions and removals
- Minor portions of wetlands that are privately owned and subject to a Maryland Agricultural Land Preservation Foundation easement are currently located within System Unit MD-54. These areas are not proposed for reclassification to an Otherwise Protected Area.

### John H. Chafee Coastal Barrier Resources System (CBRS)

#### Unit MD-62, Carroll Pond, Maryland

#### Summary of Proposed Changes

**Type of Unit:** Proposed new System Unit

**County:** St. Mary's

**Congressional District:** 5

#### Proposed Boundary Notice of Availability:

The U.S. Fish & Wildlife Service (Service) opened a public comment period on proposed new Unit MD-62 via *Federal Register* notice. The *Federal Register* notice and the proposed boundary (accessible through the CBRS Projects Mapper) are available on the Service's website at [www.fws.gov/cbra](http://www.fws.gov/cbra).

#### Proposed New Unit:

##### *New Unit CBRS Status:*

The area proposed for inclusion within new System Unit MD-62 is:

- Not currently within the CBRS

##### *New Unit Area:*

Included within new System Unit MD-62 are the following area(s):

- Most of Carroll Pond and another nearby tidal pond
- Wetlands and minor areas of fastland along Carroll Pond and another nearby tidal pond on the western shore of the Chesapeake Bay

For information about the Service's guiding principles and criteria for assessing modifications to the CBRS, visit [www.fws.gov/cbra](http://www.fws.gov/cbra).

## Unit MD-62 Summary of Proposed Changes (continued)

### Acreage, Shoreline, and Structure Information:

The table below includes the acreage, shoreline, and structure changes associated with the proposed boundary of Unit MD-62.

	<i>Total Acres</i>	<i>Fastland Acres*</i>	<i>Associated Aquatic Habitat Acres**</i>	<i>Shoreline Miles</i>	<i>Structures***</i>
Existing Unit	0	0	0	0.0	
Added to the CBRS	79	1	78		0
Removed from the CBRS	0	0	0		0
Reclassified Area****	0	0	0		0
Proposed Unit	79	1	78	0.3	
Net Change	79	1	78	0.3	0

\*Land above mean high tide.

\*\*Associated aquatic habitat includes wetlands, marshes, estuaries, inlets, and open water landward of the coastal barrier, but does not include open water seaward of the shoreline. This information is derived from National Wetlands Inventory data.

\*\*\*Approximate structure count derived from base map imagery. Gas and liquid storage tanks, structures without walls and a roof (e.g., picnic shelters), structures with fewer than 200 square feet, structures that are not affixed to a permanent site (e.g., recreational vehicles), and structures that are not located principally above ground are not included in this structure count because they do not meet the statutory definition of a "structure" (16 U.S.C. 3503(g)(2)).

\*\*\*\*Reclassification means to change either all or a portion of a System Unit to an Otherwise Protected Area, or vice-versa.
