We're Your Employer of Choice

From Alaska's tundra to Maine's rocky coastline, from the desert southwest to the prairies, our national wildlife refuges, fish hatcheries, wildlife management areas, ecological services field stations, and law enforcement offices offer opportunities for everyone to shape their future while working for conservation. We also offer a great benefits package!

We Even Get Paid to Do This!

EMPLOYER OF **CHOICE**

EMPLOYER OF **CHOICE**

Your Career In the FWS
