If your order "request date" is before the dates mentioned above, your order should have been filled already. Please contact us to have the order shipped.

If your order "request date" is after the dates mentioned above, your order still has some time to wait.

Total wait times are calculated by taking the month/year currently and subtracting month/year of Current dates being filled from above. This is the approximate total wait time an applicant will have to wait from the time the repository receives the order to the date of shipment.

Keep in mind these time frames will change due to supply and demand as inventory allows.

These dates fluctuate from month to month and are not definitive, set time frames.

Due to staffing levels and upcoming Holidays the amount of orders being shipped weekly is limited.

There will be NO SHIPMENTS on the following weeks due to Holidays:
