E. EXPORT OF AMERICAN GINSENG (MULTIPLE COMMERCIAL SHIPMENTS)

Note: This application should be used to request authorization to export multiple commercial shipments of artificially propagated and wild-collected American ginseng (*Panax quinquefolius*). **For a single shipment of American ginseng, submit form [3-200-32](#).**

This application establishes a Master File, valid for up to three years for artificially propagated American ginseng and one year for wild-collected American ginseng (both are renewable), for commercial exports. Once the Master File is approved, you must obtain single-use permits, valid for 6 months for each export ([50 CFR 13](#)).

Activity being requested:

Three-year artificially propagated authorization (processing fee: \$200)

Renewal of artificially propagated authorization; master file # _____ (processing fee: \$100)

One-year, wild-collected authorization for harvest season _____ (processing fee: \$50)

Renewal of a one-year, wild- collected authorization for harvest season _____; master file # _____
(processing fee: \$50)

How many single-use permits do you wish to request (anticipate using in the next 6 months) upon completion of this master file review? _____. (Provide \$ 5 for each single-use permit)

Additional permits may be requested via form [3-200-74](#). All processing fees are nonrefundable.

Complete Part I. **AND EITHER** Part II. (wild-collected American ginseng) or Part III. (artificially-propagated American ginseng), as appropriate. If both artificially propagated and wild ginseng are to be exported, submit a separate application for each. For wild ginseng, submit a separate application for each harvest season. Complete all pages of the application.

PART I. ALL APPLICANTS COMPLETE

1. Name and address where you wish the permit to be mailed, if different from page 1. If you would like expedited shipping, please enclose a self-addressed, pre-paid, computer-generated, courier service airway bill. If unspecified, all documents will be mailed via regular mail through the U.S. Postal Service.

2. Who should we contact if we have questions about the application (name, phone number, and e-mail)?

3. Disqualification factor. A conviction, or entry of a plea of guilty or nolo contendere, for a felony violation of the Lacey Act, the Migratory Bird Treaty Act, or the Bald and Golden Eagle Protection Act disqualifies any such person from receiving or exercising the privileges of a permit, unless such disqualification has been expressly waived by the Service Director in response to a written petition. (50 CFR 13.21(c)) Have you or any of the owners of the business, if applying as a business, been convicted, or entered a plea of guilty or nolo contendere, forfeited collateral, or are currently under charges for any violations of the laws mentioned above?

No Yes

If you answered "Yes" to Question 3, provide: a) the individual's name; b) date of charge; c) charge(s); d) location of incident; e) court; and f) action taken for each violation. Please be aware that a "Yes" response does not automatically disqualify you from getting a permit.

PART II. COMPLETE IF EXPORTING WILD AMERICAN GINSENG (*PANAX QUINQUEFOLIUS*)

4. Harvest season in which ginseng was/will be collected (give the year harvest season began):

5. List State(s) or Tribal lands from which ginseng was/will be harvested:

6. Approximate number of pounds expected to be exported during the year your master file is valid:

7. Enter an "X" in the box that applies. Type of roots or other specimens to be exported:

Dried roots Green roots Other (enter a description: _____)

Note: All ginseng that is exported must be accompanied by valid State or Tribal documents that certify the state of the root (i.e., green or dried) and that it was legally harvested within that State or Tribal lands. Roots must be exported in the same state (i.e., green or dried) as identified on the face of the State or Tribal document.

Please attach a copy of your valid State license(s) or permit(s) authorizing you to deal in ginseng (if uncertain, check with your State) and a copy of your valid USDA Protected Plant Permit.

CERTIFICATION STATEMENT: (original signature is required)

I understand that all wild American ginseng to be exported must have been harvested within a single year, as identified above and must be accompanied by valid State or Tribal documents that certify it was legally harvested in the State(s) and/or on the Tribal lands listed above (#5) and identifies the state (i.e., dried or green) of the ginseng root. I further acknowledge that the roots must be exported in the same state (i.e., dried or green) as is identified on the State or Tribal land certificate(s).

Applicant's signature: _____ Date: _____

PART III. COMPLETE IF EXPORTING ARTIFICIALLY PROPAGATED AMERICAN GINSENG (*PANAX QUINQUEFOLIUS*)

4. List State(s) or Tribal lands from which ginseng was or will be harvested:

5. Approximate number of pounds expected to be exported each year during the time your master file is valid:

6. Enter an "X" in the box that applies. Type of roots or other specimens to be exported:

Dried roots Green roots Other (enter a description: _____)

Note: All ginseng that is exported must be accompanied by valid State or Tribal documents that certify the state of the root (i.e., green or dried) and that it was artificially propagated within that State or Tribal lands. Roots must be exported in the same state (i.e., green or dried) as identified on the face of the State or Tribal document.

Please attach a copy of your valid State license(s) or permit(s) authorizing you to deal in ginseng (if uncertain, check with your State) and a copy of your valid USDA Protected Plant Permit.

CERTIFICATION STATEMENT: (original signature is required)

I understand that all artificially propagated American ginseng to be exported must be accompanied by valid State and/or Tribal documents which certify that it was artificially propagated in the State(s) and/or on the Tribal lands listed above (#4).

APPLICATION FORM INSTRUCTIONS

The following instructions pertain to U.S. Fish and Wildlife Service (FWS) permit applications. The General Permit Procedures in [50 CFR 13](#) address the permitting process. For simplicity, all licenses, permits, registrations, and certificates are referred to as a permit.

GENERAL INSTRUCTIONS:

- Complete all relevant questions in Sections A or B, C, D, and E.
- **An incomplete application may cause delays in processing or may be returned to the applicant. Be sure you are filling in the appropriate application form for the proposed activity.**
- Print clearly or type in the information. Illegible applications may cause delays.
- Sign the application. Faxes or copies of the original signature will not be accepted.
- Mail the original application to the address at the top of page one of the application or, if applicable, on the attached address list.
- **Keep a copy of your completed application.**
- **Please plan ahead. Allow at least 60 days for your application to be processed, however, some applications may take longer than 90 days to process (50 CFR 13.11).**
- Applications are processed in the order they are received.

SECTION A OR SECTION B:

Section A. Complete if applying as an individual [do not complete if importing/exporting under an Import/Export License.]:

- Enter the complete name of the responsible individual who will be the permittee if a permit is issued. Enter personal information that identifies the applicant. **Fax and e-mail, while helpful in processing, are not required.**
- If you are applying on behalf of a client, the personal information must pertain to the client, and a document evidencing **power of attorney** must be included with the application.
- **Affiliation/ Doing business as (dba):** business, agency, Tribe, organizational, or institutional affiliation directly related to the activity requested in the application (e.g., a taxidermist is an individual whose business can directly relate to the requested activity). The Division of Management Authority (DMA) and the Office of Law Enforcement (OLE) do **not** accept doing business as affiliations for individuals (complete Section B).

Section B. **Complete if applying as a business, corporation, public agency, Tribe, or institution:**

- Enter the complete name of the business, agency, or institution that will be the permittee if a permit is issued. Give a brief description of the type of business the applicant is engaged in. Provide contact phone number(s) of the business. If you are applying on behalf of a client, a document evidencing power of attorney must be included with the application.
- **Principal Officer** is the person in charge of the listed business, corporation, public agency, Tribe, or institution. The principal officer is the person responsible for the application and any permitted activities. Often the principal officer is a Director or President. **Primary Contact** is the person at the business, corporation, public agency, or institution who will be available to answer questions about the application or permitted activities. Often this is the preparer of the application.

ALL APPLICANTS COMPLETE SECTION C:

- For all applications submitted to the Division of Management Authority (DMA), a physical U.S. address is **required**.
- **Mailing address** is the address to which communications from USFWS should be mailed if different from applicant's physical address.

ALL APPLICANTS COMPLETE SECTION D:

Section D.1 **Application processing fee:**

- An application processing fee is required at the time of application, unless exempted under 50 CFR13. The application processing fee is assessed to partially cover the cost of processing a request. **The fee does not guarantee the issuance of a permit, nor will fees be refunded for applications for which processing has begun.**
- **Documentation of fee exempt status is not required for applications submitted by Federal, Tribal, State, or local government agencies; but must be supplied by those applicants acting on behalf of such agencies.** Such applications must include a letter on agency letterhead and signed by the head of the unit of government for which the applicant is acting on behalf, confirming that the applicant will be carrying out the permitted activity for the agency.

Section D.2 **CERTIFICATION:**

- **The individual identified in Section A, the principal officer named in Section B, or person with a valid power of attorney (documentation must be included in the application) must sign and date the application.** This signature legally binds the applicant to the statement of certification. You are certifying that you have read and understand the regulations that apply to the permit. You are also certifying that all information included in the application is true to the best of your knowledge. Be sure to read the statement and re-read the application and your answers before signing.

Privacy Act Statement

Authority: The information requested is authorized by the following: the Bald and Golden Eagle Protection Act (16 U.S.C. 668), 50 CFR 22; the Endangered Species Act (16 U.S.C. 1531-1544), 50 CFR 17; the Migratory Bird Treaty Act (16 U.S.C. 703-712), 50 CFR 21; the Marine Mammal Protection Act (16 U.S.C. 1361, et seq.), 50 CFR 18; the Wild Bird Conservation Act (16 U.S.C. 4901-4916), 50 CFR 15; the Lacey Act: Injurious Wildlife (18 U.S.C. 42), 50 CFR 16; Convention on International Trade in Endangered Species of Wild Fauna and Flora (TIAS 8249), 50 CFR 23; General Provisions, 50 CFR 10; General Permit Procedures, 50 CFR 13; and Wildlife Provisions (Import/export/transport), 50 CFR 14.

Purpose: The collection of contact information is to verify the individual has an eligible permit to conduct activities which affect protected species. This helps FWS monitor and report on protected species and assess the impact of permitted activities on the conservation and management of species and their habitats.

Routine Uses: The collected information may be used to verify an applicant's eligibility for a permit to conduct activities with protected wildlife; to provide the public and the permittees with permit related information; to monitor activities under a permit; to analyze data and produce reports to monitor the use of protected wildlife; to assess the impact of permitted activities on the conservation and management of protected species and their habitats; and to evaluate the effectiveness of the permit programs. More information about routine uses can be found in the System of Records Notice, Permits System, FWS-21.

Disclosure: The information requested in this form is voluntary. However, submission of requested information is required to process applications for permits authorized under the listed authorities. Failure to provide the requested information may be sufficient cause for the U.S. Fish & Wildlife Service to deny the request.

PAPERWORK REDUCTION ACT STATEMENT

We are collecting this information subject to the Paperwork Reduction Act (44 U.S.C. 3501) in order provide the U.S. Fish and Wildlife Service the information necessary, under the applicable laws governing the requested activity, for which a permit is requested. Information requested in this form is purely voluntary. However, submission of requested information is required in order to process applications for permits authorized under the applicable laws. Failure to provide all requested information may be sufficient cause for the U.S. Fish and Wildlife Service to deny the request. According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. OMB has approved this collection of information and assigned Control No. 1018-0093.

ESTIMATED BURDEN STATEMENT

Public reporting for this collection of information varies depending on the activity for which a permit is requested. The relevant burden for FWS Form 3-200-34 is 20 minutes including time for reviewing instructions, gathering and maintaining data and completing and reviewing the form. Direct comments regarding the burden estimate or any other aspect of the form to the Service Information Clearance Officer, Fish and Wildlife Service, U.S. Department of the Interior, 5275 Leesburg Pike, MS: BPHC, Falls Church, VA 22041-3803. Please do not send your completed application to this address.
