## E. Re-Export of Wildlife (CITES)

**NOTE 1:** If you are re-exporting CITES Appendix II or III specimens that have not be altered or changed since they were originally exported into the United States (e.g., python skin boots were imported and are now being re-exported), the application can be submitted either to the Division of Management Authority or the Office of Law Enforcement (OLE). Applications that are submitted to OLE **must** be submitted to an OLE office in the region where the applicant is located (see pages 5 and 6 for addresses).

Items that are:       Pre-Convention (removed from the wild before CITES applied to the species);  
Have been altered after imported (e.g., tanned python skins converted into boots);  
Covered under the Endangered Species Act (ESA);  
Covered under the Wild Bird Conservation Act (WBCA);  
Covered under the Marine Mammal Protection Act (MMPA); or  
Covered under the Migratory Bird Treaty Act (MBTA)

**MUST** be submitted to the Division of Management Authority (DMA).

**NOTE 2:** If you are a Customs broker or a freight forwarder applying on behalf of your client, you must attach documentation that shows you have Power of Attorney to act on your client's behalf.

Complete all questions on the application. Mark questions that are not applicable with "N/A". If needed, use separate sheets of paper. On all attachments or separate sheets you submit, indicate the application question number you are addressing. If applying for more than one specimen, be sure to indicate which specimen is being addressed in each response.

Electronic submission of inventories, photographs, and receipts: Some applications contain extensive inventories and /or a large number of photographs or receipts. You may provide electronic versions of the documents. Such a submission will assist in expediting the processing of your application since it may reduce data entry by the U.S. Fish and Wildlife Service. If you wish to provide information electronically, once you have received an application number via the e-mailed acknowledgment letter, e-mail your information to [permits@fws.gov](mailto:permits@fws.gov). Be sure to include the application number provided in the acknowledgment e-mail that will be sent to you when we receive your application.

I will be submitting documents electronically.

1. Name and address where you wish the permit to be mailed, **if different from page 1**.
