4. For each category below, specify in the "Basis for Rating and Other Comments" field the factors that contributed to the rating entered. Provide enough detail to give an independent reviewer a clear understanding of the rationale used to determine the rating. If documents exist to support your rating (e.g., performance report on previous award) identify the document(s) and specify the location of the document(s). Here is an example of the type of detail to be entered in the "Basis for Rating and Other Comments" fields:
