

Office of Law Enforcement Short Survey on Discoveries of Non-Investigative Eagles not Being Sent to a Lab

Once completed, please send this form to Migbirdreports@fws.gov

1. **Was the eagle found on the property of a SPUT or Eagle Programmatic permittee or a facility with a reporting agreement with OLE?** Yes/No. If yes, what is the company name and/or permit number?

2. **USGS Band ID or any other unique ID**

3. **Date eagle collected**

4. **Species of eagle**

5. **Recovery location** (Lat/Long preferably in decimal degrees; or nearest cross street and county or state and county if specifics of location unknown)

Additional Details:

6. **Who was the eagle found by** (Affiliation, Phone, E-mail)

7. **Name of USFWS OLE agent who responded to the incident**

8. **Condition of eagle**

Additional Details:

9. **Apparent cause of death**

Additional Details:

10. **Disposition**

Additional Details:

11. **Date of disposition**

12. **Any additional notes**

13. **Photos** (take and attach photos of carcass and any surroundings that might help indicate potential cause in the e-mail when you send this form)

If sending the eagle to a lab (i.e. if it is "freshly dead" and intact or telemetered - see instructions in the [Service Manual Chapter Handbook](#)) **or the National Eagle Repository** (which should apply to most other dead eagles or parts - see instructions in the [Service Manual Chapter Handbook](#)), **make sure you include a unique ID on the lab submission form and/or transfer tag**. If the form and/or tag you are sending with the eagle does not already have a unique ID, please see options in "Documentation" section of the [Service Manual Chapter Handbook](#) for "Assigning a Unique ID".
