Endangered and Threatened Wildlife and Plants; Extending the Public Comment Periods and Rescheduling Public Hearings Pertaining to the Gray Wolf (*Canis lupus*) and the Mexican Wolf (*Canis lupus baileyi*)

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Proposed rules; extension of public comment periods, and announcement of public hearings.

SUMMARY: We, the U.S. Fish and Wildlife Service (Service), recently published two proposed rules. One rule proposes to list the Mexican wolf (*Canis lupus baileyi*) as an

endangered subspecies and to delist the gray wolf elsewhere, and the other proposes to revise the Nonessential Experimental Population of the Mexican Wolf. On September 5 and October 2, 2013, we announced public hearings on the proposed rules. The September 5 notices also extended the public comment period for the proposed rules to October 28, 2013. Following delays caused by the Federal Government lapse in appropriations, the Service is announcing rescheduled dates for the remainder of a series of public hearings on the proposed rules. To allow these hearings to take place within the public comment period on the proposed rules, we now extend the public comment period for the proposed rules to December 17, 2013. Comments previously submitted need not be resubmitted and will be fully considered in preparation of the final rules. We also announce the scheduling of a public information meeting and an additional public hearing in Pinetop, Arizona.

DATES: *Written Comments:* The public comment period on the proposal to list the Mexican wolf (*Canis lupus baileyi*) as an endangered subspecies and to delist the gray wolf elsewhere and the proposal to revise the nonessential experimental population of the Mexican wolf are extended to December 17, 2013. Please note comments submitted electronically using the Federal eRulemaking Portal (see **ADDRESSES** section, below) must be received by 11:59 p.m. Eastern Time on the closing date. If you are submitting your comments by hard copy, please mail them by December 17, 2013, to ensure that we receive them in time to give them full consideration.

Public Information Meeting: We will hold a public information meeting on December 3, 2013, from 3:30 p.m. to 5 p.m., in Pinetop, AZ.

Please note that submissions merely stating support for or opposition to the actions under consideration without providing supporting information, although noted, will not be considered in making a determination. You may submit your comments and materials by one of the methods listed in **ADDRESSES**. We request that you send

comments only by the methods described in **ADDRESSES**. Verbal testimony may also be presented during the public hearings (see **DATES** and **ADDRESSES** sections).

Public Hearings

Following delays caused by the Federal Government lapse in appropriations, the Service is announcing rescheduled dates for the remainder of a series of public hearings on the proposed rules. We are also adding a public information meeting and an additional public hearing in Pinetop, AZ. In total, we are holding one public information meeting and four public hearings on the dates listed in the **DATES** section at the locations listed in the **ADDRESSES** section.

The November 19, 2013, public hearing in Denver, CO, and the November 22, 2013, public hearing in Sacramento, CA, will address the June 13, 2013 (78 FR 35664),

proposal to list the Mexican wolf as an endangered subspecies and to delist the gray wolf elsewhere. The November 20, 2013, public hearing in Albuquerque, NM and the December 3, 2013, public hearing in Pinetop, AZ, will address both the June 13, 2013 (78 FR 35664), proposal to list the Mexican wolf as an endangered subspecies and to delist the gray wolf elsewhere, as well as the June 13, 2013 (78 FR 35719), proposed revision to the nonessential experimental population of the Mexican wolf. The December 3, 2013, public information meeting and public hearing in Pinetop, AZ, will focus on the June 13, 2013 (78 FR 35719), proposed revision to the nonessential experimental population of the Mexican wolf, but we will accept verbal testimony (formal, oral comments) or written comments regarding both of the June 13, 2013, proposals (78 FR 35664 and 78 FR 35719).

We are holding the public hearings to provide interested parties an opportunity to present verbal testimony (formal, oral comments) or written comments regarding the proposals. A public hearing is a forum for accepting formal verbal testimony. The public information meeting in Pinetop, Arizona will provide the opportunity for interaction with Service staff, who will be available to provide information and address questions on the proposed rule, however, verbal testimony will only be accepted at the public hearings. Anyone wishing to testify verbally at the public hearings for the record is encouraged to also provide a written copy of their statement to us at the hearings. In the event of a large attendance, the time allotted for verbal testimony may be limited. Speakers can sign up at the hearings if they desire to make a verbal statement. Oral and

written statements receive equal consideration. There are no limits on the length of written comments submitted to us.

Persons with disabilities needing reasonable accommodations to participate in the Denver, CO, or Sacramento, CA, public hearings should contact the Headquarters Office (see **FOR FURTHER INFORMATION CONTACT**). Persons with disabilities needing reasonable accommodations to participate in the Albuquerque, NM, or Pinetop, AZ, public hearings should contact the Mexican Wolf Recovery Program (see **FOR FURTHER INFORMATION CONTACT**).
