- 3. IMPORTS OF AFRICAN ELEPHANT TROPHIES FROM ZIMBABWE:** The Fish and Wildlife Service (FWS) plans to publish in the Federal Register a change to the permitting status for imports of African elephant trophies from Zimbabwe. After receiving information from Zimbabwe on a number of substantial improvements to their management program and elephant conservation efforts, FWS has determined that taking of African elephant trophy animals in Zimbabwe on or after January 21, 2016 (the date that Zimbabwe's new management plan was officially adopted) through 2017 would enhance the survival of African elephants, and import permits can be issued for these trophies.

**Timing:** November 2017
