Dear Sir: I have been talking to a lady at USF&WS named Carol. She said I should send an email to you once I received an acknowledgement of my requested amendment. The information I sent to you is the company that will send the trophy from Mozambique to RSA. The actual exporter of the trophy to the U.S. is as follows:

Life Form Taxidermy
7 Aluminum Road
White River 1240
MPUMALANGA
South Africa

I apologize for the mistake. Please acknowledge that you have received this email. I can be reached at this email or (b) (6) until July 10.
