Dear Mr. Fliehs,

Every thing you sent is fine, however, I need the city or nearest city for the hunter in Namibia where your leopard was hunted. Is he associated with a company? If so, please provide that also.

You still have until **May 23, 2020**.

I still don't know if I filled the application out correctly, because the trophy is not coming from Namibia but South Africa. It was hunted in Namibia but the Taxidermie work was done in South Africa.
