Dear Mr. Fliehs,

On April 15, you sent another copy of your application with 6.d. It did **not** have the information you just sent me. Thank you for sending this information today. I can now continue working on your application.

Ms. Whitley,

In line 6d of the form, I specified that the city was Omaruru, Namibia. Kanona West #84 was the hunting area. Hope this answers the question. If not please let me know.

Larry Fliehs

Dear Mr. Fliehs,

On April 16, I asked you to provide the nearest city in Namibia where the hunt took place. I cannot find Kanona West in Namibia.

You still have until **May 23, 2020**.

Stephanie,  
I haven't had a request for more info from you. Does that mean that I finally got the application correct? What is the next step, will the permit come to me? Just anxious I guess.  
Regards

Larry Fliehs
