

# Missisquoi (Zone 2) Water-Use Advisory Area

**All residents within the advisory zone have been contacted in advance and their water use needs have been accommodated. Advisory zone public access sites are posted while the advisory is in effect. The New York State and Vermont Departments of Health advise that river and lake surface water in the advisory area NOT BE USED for DRINKING, DOMESTIC USE, FISHING, SWIMMING, IRRIGATION, or LIVESTOCK WATERING while in effect. Safeguards to ensure protection of the public drinking water supply have been established by the U.S. Fish & Wildlife Service and approved by the State of Vermont. Citizens not located within the advisory zone are not subjected to the advisory.**
