Irrigon	RB	72T	2007	147,259	36						

Note:

Number on hand and average size are end of month numbers

Average size is "fish per pound"

Number released and average release size are cumulative totals for the entire month, for all releases

Number transferred is cumulative totals per transfer site, for the entire month.

Please include egg number, by stock; indicate "egg" in average size columns

Release location is just the stream or river name; this will be enough detail
