Results - Summary Report of Elements Listed For Big Falls Shooting Range Town Range = 027N007W Section = 19

The following Elements have been documented within the Search Area and the surrounding 1-mile buffer. EOs for the Immediate Search Area are provided on the first page(s) and are followed by EOs for the 1-mile buffer. Continue to click on next page(s) to view all EOs.

If the proposed project is likely to impact waterbodies, also review the list of EOs within each waterbody available under the Basins/Waterbodies tab.

If you are working in a county within the eagle and wolf ranges, please click [here](#) to view separate excel tables for these data.

Select **Detailed Report** for additional information on the specific EOs.

EOs within the Search Area (Pages 1 to 1)
