I have followed the development of the attached response prepared by numerous bat ecologists and submitted by Dr. Virgil Brack, Jr. Dr. Brack has graciously allowed me to request my name be added to the list of individuals who have signed on to this group comment submittal. Please find that my comments, concerns, and general disposition regarding the draft USFWS document are represented in the submittal prepared by Dr. Brack et. al.

If you have any comments or require clarification please feel free to contact me at the address below.

Thank you,
Jeff Brown
