RE: Upper Mississippi River

Dear CCP Comment:

We received the notification of your district's improvement program. I understand that some of the project is a previous improvement and you do not foresee any impact of Native American or Euro-American archaeological resources.

The Iowa people have an historic presence in Multiple County. Please keep the Iowa Tribe of Oklahoma informed if anything new is discovered.

The historical preservation of the Iowa Tribe of Oklahoma is very important. Many religious and cultural artifacts have been discovered. During excavation if anything is unearthed please give me a call at 405-547-2402 ext. 323 or e-mail me at etipton@iowanation.org.

Thank you for your cooperation in this matter.

Sincerely,

Erin C. Tipton
