

Dakota Skipper

Counties of Documented Occurrences

The following is a list of all counties where Dakota skipper (*Hesperia dacotae*) has been documented, including historical and extant counties.

This list should be reviewed by qualified surveyors to determine where one voucher specimen may be permitted according to the conditions in their federal scientific recovery permit.

For a list of extant counties, see <https://ecos.fws.gov/ecp0/profile/speciesProfile?sPCODE=I011>.
