

Sean Kelly

Midwest Region

Sean Kelly, Assistant Chief, Division of Migratory Birds

I serve, primarily, as the migratory gamebird staff biologist and also as the Assistant Chief of the Division. I coordinate and conduct migratory gamebird surveys and activities throughout the Region, such as waterfowl surveys and banding, American woodcock, mourning dove and sandhill crane surveys. I also have overall supervision of the Migratory Bird Permit program. I represent the Region and the Division with the Mississippi Flyway Technical Section.

Areas of expertise:

Migratory gamebird biology, surveys, and monitoring, migratory bird permits
