Cherokee County Superfund Project Cherokee County, Kansas

Trustee Council Resolution #13
December 27, 2011

The Kansas Trustee Council (Trustees) authorizes the Kansas Department of Wildlife, Parks and Tourism (KDWP) to conduct appraisals for up to ten tracts of real property in Cherokee County and other southeastern Kansas counties as per the Cherokee County Restoration Plan. The properties will conform to the Trustees' prioritization and be consistent with one or more alternatives in the restoration plan.

Before performing an appraisal KDWP will submit a documentable proposal, such as a land availability report, to the Trustees, and the Trustees will provide an e-mail concurrence to KDWP. The Trustees agree to reimburse KDWP, through subsequent resolutions, for the appraisal costs up to but not to exceed \$100,000.
