Cherokee County, Kansas

Trustee Council Resolution #16
May 24, 2012

The Kansas Trustee Council (Trustees) authorizes the Kansas Department of Wildlife, Parks and Tourism (KDWPT) to initiate land acquisition activities for a tract of real property in Labette County, Kansas. The property comprises 277 acres, more or less, in Section 22, T34S, R21E, of the sixth principal meridian. Acquisition of this property is consistent with alternatives A2, A4, T4, and T5 in the Cherokee County Restoration Plan. Upon receipt of the appraisal report, the Trustees authorize KDWPT to pursue a contract to purchase the property up to the appraised value of \$234,000. The Trustees agree to provide KDWPT funding for the purchase, appraisal, and closing costs incurred by this action under a subsequent resolution.
