Trustee Council Resolution #28
December 2, 2014

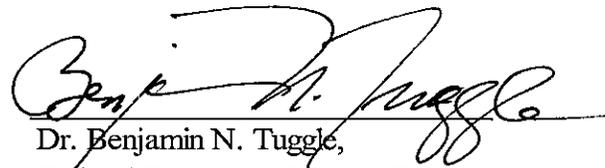

The Kansas Trustee Council authorizes the transfer of funds from the federal account to the Kansas Department of Wildlife, Parks and Tourism (KDWPT) via the state account for reimbursement of expenses and the purchase of a truck and flatbed to be used on NRDA projects. The requested total is as follows:

One Ton Truck and Flatbed	\$ 50,000.00
Total Reimbursable Expenditures	\$ 5,471.25
Total	\$ 55,471.25

The Kansas Trustee Council seeks a total of \$55,471.25 to reimburse expenditures incurred by KDWPT for performing NRDA activities and for the purchase of a truck and flatbed. The reimbursable expenditures are those incurred by KDWPT for NRDA activities during FY 2015 from July 1 through September 30, 2014. The truck and flatbed are generally useful and necessary for towing trailers to transport equipment to complete NRDA management and restoration activities at Cherokee County restoration properties and other KDWPT properties.

This funding will come from the joint settlement account number 0585-Cherokee County ASARCO Restoration. The total of \$55,471.25 will be transferred to the state fund with the Kansas Department of Health and Environment (KDHE). KDHE will transmit the funds to KDWPT via electronic interfund transfer.
