Cherokee County Superfund Project
Cherokee County, Kansas

Trustee Council Resolution #33
November 30, 2015

The Kansas Trustee Council authorizes the transfer of funds from the federal account to the Kansas Department of Wildlife, Parks and Tourism (KDWPT) via the state account to fund seasonal staff salary and operation and maintenance on NRDA properties. The requested total is as follows:

Operation and Maintenance – NRDA Properties	\$ 20,000
Salary – Seasonal Staff	\$ 12,250
Sub-Total	\$ 32,250
KDWPT Contribution	\$ (17,738)
Total	\$ 14,513

The Kansas Trustee Council seeks a total of \$14,513 to fund a portion of seasonal staff salary and operation and maintenance on NRDA properties purchased by the Kansas Trustee Council and owned and managed by KDWPT. Operation and maintenance is generally necessary to maintain the successful restoration efforts on restoration properties. The seasonal staff salary is generally necessary to help accomplish the aforesaid activities.

This funding will come from the joint settlement account number 0585-Cherokee County ASARCO Restoration. The total of \$14,513 will be transferred to the state fund with the Kansas Department of Health and Environment (KDHE). KDHE will transmit the funds to KDWPT via electronic interfund transfer.
