1 Underlined packs are counted as breeding pairs toward recovery goals.
 3 Does not include pups that disappeared before winter.

2 Excludes wolves killed in control actions.
 4 Collared wolves that ceased transmitting in 2004.

5 Includes only domestic animals confirmed killed by wolves.

* No collars; numerous reliable sightings.

Note: the cattle and sheep depredation by Swan Lake and Chief Joseph occurred in SW MT and are counted in the MT part of GYA.
