- 1 Underlined packs are counted as breeding pairs toward recovery goals.
- 2 Excludes wolves killed in control actions.
- 3 Does not include pups that disappeared before winter.
- 4 Collared wolves that ceased transmitting in 2006.
- 5 Includes agency lethal control and take by private citizens under 10j regulation.
- 6 Includes only domestic animals confirmed killed by wolves.
- 7 Pack did not exist on December 31, 2006 and is not displayed on the map; see pack narrative.
- # Border pack shared with State of Idaho; dens in Montana and majority of time in Montana.
