1 Underlined packs are counted as breeding pairs toward recovery goals. CCT = Colville Confederated Tribes; STI = Spokane Tribe of Indians

2 Excludes wolves killed in control actions to address livestock depredation and lawful public harvest.

3 Does not include pups that disappeared before winter.

4 Number legally harvested by humans in 2014.

5 Agency lethal control whether under state or federal regulations. Includes wolves killed by private citizens to defend livestock or under terms of a kill permit.

6 Collared wolves that became missing in 2014.

7 Includes only domestic animals confirmed killed by wolves.

8 Pack did not exist on Dec. 31, 2014 and is not displayed on the map; see pack narrative.

Border pack shared with the State of Idaho; dens in Washington
