

# **Chapter 6 – Consultation and Coordination With the Public and Others**

Preparation of this EA included many contacts and discussions with local residents, elected officials, State employees and others. Public involvement, including review of the Draft EA, was key to a full evaluation of this project. A description of public participation in the process can be found in Chapter 1, V. Public Involvement, and Appendix B – Letters of Comment.

The entire EA is available on the Service Internet Web site: (<http://midwest.fws.gov/planning/maraisdescygnestop.htm>).
