

Boiling Spring Lakes

Next steps

Jan. 3 – Pete Benjamin, Ecological Field Supervisor, Raleigh Field Office USFWS will be briefing the mayor and board of commissioners. This is a follow-on briefing to the December 13 meeting informing the mayor of what it means for the city and the residents of the presence of an endangered species in Boiling Spring Lakes.

After Jan. 3

- The Raleigh Field Office USFWS will be sending a letter out to all residents of Boiling Spring Lakes.
- A workshop will be conducted by the City of Boling Spring Lakes and the USFWS.
