Dates/Times (Pacific): 02/27 - 8:00AM – 4:30PM
 02/28 - 8:00AM – 12:00PM

Draft Agenda

1. Introductions and Changes to Draft Agenda

2. Revise Recovery Team Representative List

3. USGS Surveys

Matt Mesa will present a summary of 2006 accomplishments (executive summary of accomplishments to be prepared and distributed to RT members before meeting). Discussion of 2007 work goals and schedule to follow.

4. Revised Recovery Criteria

All team members please come prepared to discuss ideas for threats-based recovery criteria (see Showy Stickweed draft Recovery Plan for examples).

5. BT Draft Recovery Plan Edits

Allen Taylor will present an approach for addressing formatting problems in the electronic document. RT members should review edits to the draft document (will be distributed approximately 2 weeks before meeting) in order to reach agreement on all edits so they may be deleted from 'track changes.'

6. Review Projects, Assignments, and Discussion Items from Previous RT Meetings

7. Next Meeting Logistics
