

## DEPARTMENT OF THE INTERIOR INFORMATION SERVICE

UNITED STATES FISH AND WILDLIFE SERVICE

For Release JANUARY 20, 1957

### SHRIMP FILM AND RECIPE BOOK ARE NOW AVAILABLE

Time-tested shrimp recipes are featured in the latest Fish and Wildlife Service sound and color fishery market development film, the Department of the Interior announced today.

The film now is available from the Fish and Wildlife Service and will soon be available at many of the 140 public and private libraries which handle the Service's commercial fishery films. The film is especially designed for television use, either in color or in black and white.

Also available is a new full color shrimp recipe book. Both the film and the recipe book bear the title, Shrimp Tips from New Orleans. Both were produced by the Fish and Wildlife Service in cooperation with the Peelers Company of New Orleans, manufacturers of shrimp peeling and deveining equipment. The Peelers Company financed both the production of the film and publication of the book. Additional copies of the book were purchased by the Government for resale to the public through the Government Printing Office.

The film, with its New Orleans setting, authentically portrays the culture, architecture, art and music of that famous city, the strains of French cafe and modern Dixieland music lending additional atmosphere to the scenes.

Preparation and serving of six recipes is woven colorfully into the 14-minute film.

The recipe book contains 18 recipes, including the six which are explained in the film. It is a 20-page booklet with 17 of its pages showing shrimp dishes in natural color. Water colors of the Old and the New South lend added appeal to the publication.

Ingredients of all of the recipes such as those for Shrimp Amandine, Remoulade, Creole of Jambalaya, are available at any market and are usually already in the home kitchen.

The recipe book is Circular No. 41--United States Department of the Interior,--Fish and Wildlife Service. It is for sale by the Superintendent of Documents, United States Government Printing Office, Washington 25, D. C. The price is 15 cents with a 25 percent discount on orders of 100 copies or more.

Organizations may borrow the film free of charge. For information write the United States Fish and Wildlife Service, Department of the Interior, Washington 25, D. C.
