

The Great Migration Challenge Instructions

MIGRATION – it's a RISKY business!

Explore the hazards and helpers that migratory animals encounter on their long-distance journeys. A series of numbered cards are placed in this area. Begin by choosing the bird you will be on your migratory journey. Then, follow these steps:

- 1. To start your journey, roll the dice and begin at the station with the number you roll.**
- 2. Follow the instructions on each station's card. When conditions are favorable, the card tells you to move ahead. When you encounter a hazard, you may be delayed or have to go back. Sometimes, you need to roll again.**
- 3. REMEMBER! Not all birds survive migration. Some live, and some die. At the end of the journey, return your bird card and fill out the chart.**
- 4. When everyone in the group has finished, look at how many birds successfully complete their journeys, and how many don't.**

GOOD LUCK AND HAPPY FLYING!!
