Subject: ^^WindMill Action Item^^ Copenhagen Project: Lewis County, NY

Hello Everyone:

Please find attached an OwnEnergy turbine proposal for the Copenhagen Wind Farm, located in Lewis County, New York.

Please provide by C.O.B. March 25, 2013, any comments or concerns; and, DO NOT REPLY TO ALL unless the desired intent is to respond to the entire FAS Mailing LIST! Replying to all may create unnecessary traffic to the Listserv.

Your comments will be sent by email to jhenry@ntia.doc.gov, and a CC to edavison@ntia.doc.gov. If you indicate any concerns, please include all appropriate contact information in your response.

I will identify any concerns raised by the agencies and prepare our NTIA Response Letter. Your contact information will be important for any follow-up from the wind project developer.
