

U.S. Fish & Wildlife Service

Cherry Valley, Pennsylvania

Studying its potential as a national wildlife refuge

Cherry Valley National Wildlife Refuge Study Team

The Cherry Valley National Wildlife Refuge Study Act directed the U.S. Fish and Wildlife Service to evaluate the biological value of the Valley. The team held two meetings last fall.

The Nature Conservancy maintains a profile page for Cherry Valley that can be accessed at the link below. In the near future, the U.S. Fish and Wildlife Service will create a website for Cherry Valley. The site will include an updated list of events and links to planning documents and other information. When it is complete, we will inform the public about its availability via email and by posting the link to TNC's page.
