

It's Spring! Are You Ready To Get Your Hands Dirty?

Rachel Carson National Wildlife Refuge is looking for volunteers to help restore lands for wildlife.

Here are some great opportunities to help us create habitat for wildlife and keep invasive plants in check:

May 5th- Planting native shrubs at Cutts Island in Kittery, removing non-native plants

May 11th- Planting native shrubs in our Spurwink River Division

May 18th- Planting MORE native shrubs at Cutts Island in Kittery

For further details as these dates approach, contact Charlotte Thurston at charlotte_thurston@fws.gov or call 207-646-9226 ext. 33.
