

Legend

-  Atlantic Coastal Plain Fall-line Sandhills Longleaf Pine Woodland
-  Atlantic Coastal Plain Upland Longleaf Pine Woodland
-  Florida Longleaf Pine Sandhill
-  East Gulf Coastal Plain Interior Upland Longleaf Pine Woodland
-  Southeastern Interior Longleaf Pine Woodland
-  West Gulf Coastal Plain Upland Longleaf Pine Forest & Woodland

These range maps were developed by NatureServe using data from a variety of publications and other sources. Their development was supported by the SE Regional GAP Analysis Program, Raleigh NC. We have received comments and review by Ecologists from the following programs: Southeastern Regional Office, Durham, NC; Alabama Natural Heritage Program, Montgomery AL; Florida Natural Areas Inventory, Tallahassee, FL; Georgia Natural Heritage Program, Social Circle, GA; Louisiana Natural Heritage Program, Baton Rouge, LA; Mississippi Natural Heritage Program, Jackson, MI; National Forests in Florida, Tallahassee, FL; North Carolina Natural Heritage Program, Raleigh, NC; and the South Carolina Heritage Trust, Columbia, SC. Descriptions of the Systems themselves are available at <http://www.natureserve.org/explorer/>. Additional comments, suggestions, and corrections regarding their contents are solicited and should be directed to Milo Pyne, NatureServe Senior Regional Ecologist, Durham, NC <milo_pyne@natureserve.org>. Map production is by the Southern U.S. Region of The Nature Conservancy in Durham, NC (8/4/08).
