Honorable Mentions: Worth Mentioning

We'd like to take this opportunity to capitalize on the category of "Honorable Mention." The art work we receive during the Jr. Duck Stamp Contest is a testament to the wellspring of creativity and formidable talent of our young people. Judging the entries is no easy job! Given the wealth of superlative pieces from which only a few can be selected, there are many pieces that, while they did not win 1st, 2nd, or 3rd place, deserve recognition. Therefore, we acknowledge all of the student artists who pour their hearts and souls into producing this wonderful work. Scroll down to see a few examples of the ones that received an Honorable Mention.

Thank you, artists!
