

How to Draw a Duck

Tips for creating a Junior Duck Stamp Art Contest entry!

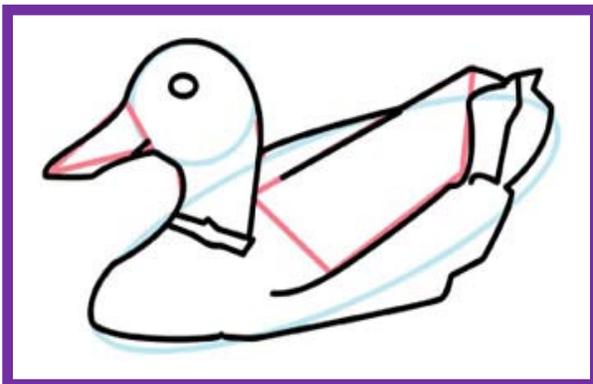

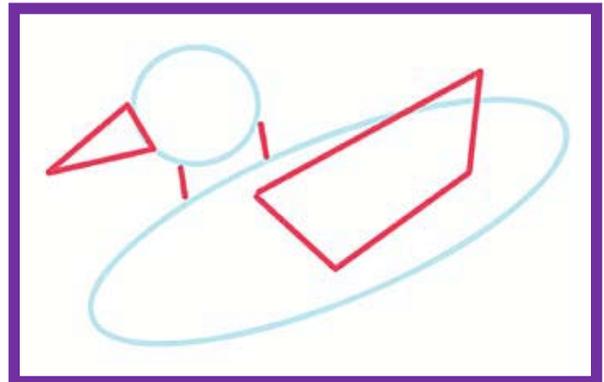

Step 1

Draw a circle for the head and an oval for the body. Draw lightly at first.

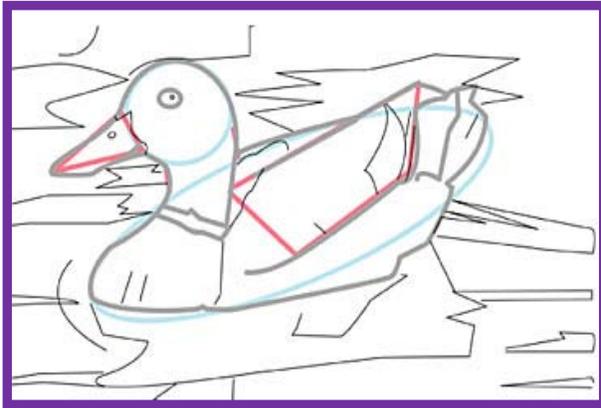

Step 2

Draw the bill with a triangle shape. Draw the wing with a slanted rectangle shape. Draw two lines from the head to the body to make a neck.

Step 3

Use curved lines to shape the mallard to make it look more realistic. Add an eye.

Step 4

Add details to the duck such as nostrils and feet. Add background details, including a pattern showing feet movement.

Step 5

Add the colors of your duck. Color the background.

Step 6

To create a more realistic picture, shade in the dark areas where the sun would not hit.
