**13TH
ANNUAL**

URBAN ECOLOGY AND CONSERVATION SYMPOSIUM

Presented by The Urban Ecosystem Research Consortium

Monday, February 9, 2015

8:00 AM – 6:00 PM

**Portland State University, Smith Center Ballroom
1825 SW Broadway, Portland**

The symposium focuses on urban environmental issues and the practical application of related ecological and social science research in the Portland/Vancouver region.

- Brief **presentations and a poster session** will give you a taste of what's happening in the Portland/Vancouver region
- **Inspiring keynotes** from noted researchers and practitioners
- **Networking opportunities** happening pre-conference (8-9 AM), during lunch, and at the afternoon social hour (4-6 PM)
- Lunchtime **discussion groups** provide opportunities to share information and further your knowledge

Call for Abstracts

Abstracts for oral and poster presentations will be accepted through November 24, 2014.

Relevant fields include biological, chemical, physical and social sciences, land use planning, habitat management and restoration, citizen science, and environmental education.

Abstracts should focus on sharing results, lessons learned, or information about opportunities and resources.
