GREEN WING DAY AT MCNARY NATIONAL WILDLIFE REFUGE

Discover how to band a duck, build a wood duck box, and identify pond life. Members from Ducks Unlimited and the Richland Rod and Gun Club will be on hand to teach youth of all ages about wildlife conservation through a variety of outdoor activities. Join us for Green Wing Day at McNary National Wildlife Refuge's Environmental Education Center on Saturday, August 14th from 8:00 a.m. to 12:00 noon. This event is sponsored by Ducks Unlimited, Richland Rod and Gun Club and the Friends of the Mid-Columbia River Wildlife Refuges. It is free and open to the public.

The McNary National Wildlife Refuge Environmental Education Center is located at 311 Lake Road in Burbank, WA. From the Tri-Cities, go east on I-182 and US Highway 12 to Burbank. At the Humorist Road stoplight, turn left. Turn left on Lake Road and travel ½ mile to the Education Center on the left. For more information, call the Friends at 509-546-8352.

– FWS –

The mission of the U.S. Fish and Wildlife Service is working with others to conserve, protect and enhance fish, wildlife, plants and their habitats for the continuing benefit of the American people. We are both a leader and trusted partner in fish and wildlife conservation, known for our scientific excellence, stewardship of lands and natural resources, dedicated professionals and commitment to public service. For more information on our work and the people who make it happen, visit www.fws.gov.
