Please note the follow:

Students must be registered in grades 9-12 for the current school year to compete.

Teams consist of five members and one alternate who represent the same school or organization. The team attending the state contest is required to be the original team from the regional contest.

All participating Envirothon team members must wear Envirothon T-shirts on contest day.

Cell Phones are not allowed and if found the team will be disqualified.

Each county may send one representative team to the state Envirothon competition, providing that team has competed against one other team in the same county. The Panhandle Regional Envirothon will financially assist the winning team of the contest to state.
