Piedmont Refuge sets the quota (1250 hunters) for deer hunts at a level higher than we expect hunters to pay and attend hunts. The refuge estimates that for a quota of 1,250 hunters about 1,060 will pay the permit fee by the deadline, and that not all these hunters will actually hunt. Attendance of hunts varies with weather conditions for a particular hunt. The refuge does **NOT** sell permits for slots drawn and not paid or after the payment deadline.
