

**Amendment
to a Fish and Wildlife Service Manual Chapter**

Series: Committees and Advisory Boards
Part 107: Advisory Committees
Chapter 4: Appointment of Committee Members
Amendment Number: 1
Purpose: This amendment modifies the length of an appointment term, increasing it from 3 years to 4 years.

Action:

Under section 4.9, in the first sentence, change “3 years” to “4 years.” The new paragraph will read as follows:

4.9 Is there a limit on the length or number of terms? Unless otherwise stated in law, membership appointments may not exceed 4 years. When terms expire, we encourage the Designated Federal Officer (DFO) to solicit new membership to preserve a fresh perspective and ensure impartiality of points of view represented.
