

Amendment to Fish and Wildlife Service Manual Chapter 561 FW 2

Series: Pollution Control and Environmental Compliance
Part 561: Compliance Requirements
Chapter 2: Clean Air Act
Amendment Number: 1
Purpose: This amendment updates the title of the Environmental Compliance Branch to reflect the most recent title in our organization.

Action:

Under 2.3B(5) change the following sentence:

“(5) With assistance from the Division of Engineering, Environmental and Facility Compliance Branch, coordinate training on the CAA, including compliance requirements, responsibilities, and penalties, for Service personnel located within the Region.”

to:

“(5) With assistance from the Division of Engineering, Environmental Compliance Branch, coordinate training on the CAA, including compliance requirements, responsibilities, and penalties, for Service personnel located within the Region.”
