

## Amendment to a Fish and Wildlife Service Manual Chapter

<b>Series:</b> Administration
<b>Part 264:</b> Cost Recovery and Reimbursable Agreements
<b>264 FW 1, Exhibit 4:</b> Indirect Cost Recovery Rate Structure
<b>Amendment Number:</b> 3
<b>Purpose:</b> This amendment updates Exhibit 4 with the current indirect cost recovery rate structure and extends the effective date of the rates until September 30, 2016.

**Action:**

Replace existing Exhibit 4, dated 9/21/2012, with the attached exhibit. Changes include:

- Changed the title to show the exhibit rates are effective until September 30, 2016.
- Added “Special pass-through agreements related to construction, land acquisition, and non-Government land” after pass-through rate.
- Added “Spill Response” after Fish & Wildlife Coordination Act (FWCA) – Subcontracted rate.
- Updated description for U.S. Environmental Protection Agency (EPA) Superfund to “We use a 0% rate for activities related to cleaning up hazardous waste sites for EPA Superfund projects.”
- Moved “Contributed Funds” and “Fees Collected (Revenue)” to the bottom of the list after “Agreements for Emergency Appropriations.”
- Updated “Intra-agency Personnel Agreements” to “Intra-agency or Inter-agency Personnel Agreements (IPAs).”
- Updated “Intra-Agency or Interagency Travel Agreements and Award Agreements” to “Intra-Agency or Inter-agency Travel Agreements and Award Agreements.”
- Updated “Emergency Supplemental” to “Agreements for Emergency Appropriations.”
