DIRECTOR'S ORDER NO. 199

Subject: Program for Centralized Hiring of Refuge Officers

Sec. 1 What is the purpose of this Order? This Order establishes procedures for centralizing the hiring of full-time Refuge law enforcement officers (Refuge Officers) in the National Wildlife Refuge System (NWRS).

Sec. 2 Does this Order amend or supersede any other guidance? This Order supersedes Section 6 of Director's Order No. 155.

Sec. 3 What is the purpose of centralized hiring? The purpose of the program is to:

- a. Provide a steady pool of fully trained natural resource conservation law enforcement officers for the NWRS to fill vacancies in a timely, efficient manner;
- b. Improve diversity and retention in the Refuge System law enforcement ranks; and
- c. Comply with the Secretary's Directives on law enforcement reforms for the Department of the Interior.

Sec. 4 What is the scope of this program? This Order applies to hiring Refuge Officers with a Full Performance Level (FPL) of GS-09.

Sec. 5 What are the authorities for this Order?

- a. Memorandum of July 19, 2002, from the Secretary of the Interior requiring implementation of the recommendations in the *Law Enforcement at the Department of the Interior, Recommendations to the Secretary for Implementing Law Enforcement Reforms* report, July 2002.
- b. *Interim and Long-term Deployment of Law Enforcement Resources of the National Wildlife Refuge System*, May 2003.

Sec. 6 What is the overall hiring process? The hiring process for permanent Refuge Officers at the FPL GS-09 level is unchanged except for trainee positions.

- (2) Advertise trainee positions at the GS-05/07 grade level, with a FPL of GS-09.
- (3) Select applicants at the GS-05 or GS-07 level only and assign them to the applicable Standard Position Description.
- (4) Enter into a mobility agreement with the new officer stating that we will move the officer to a new duty location as their training progresses and vacancies or needs occur.

If approved, the waiver request allows the Refuge Officers to work while they are completing training and waiting for the investigation's completion.

h. The Chief, DRLE is the Selecting Official for new trainee hires.

Sec. 10 When will the Service schedule new hires to begin duty?

a. For those new Refuge Officers needing Land Management Police Training, Refuge Officer Basic School, and the Field Training Evaluation Program, the target date for them to begin duty is April 1, 2010. This date is flexible and the Region, duty station, and new Refuge Officer may negotiate it to accommodate unusual personal circumstances.

b. For those new Refuge Officers not needing Land Management Police Training, the Region, duty station, and new officer will negotiate a date to begin duty to allow officers ample time to get established at their new duty station before they have to attend Refuge Officer Basic School training.

Sec. 11 What duty station do the new hires report to and who supervises them? The Headquarters Branch of Human Resources will offer jobs at specific duty stations to the selected new officers. The Refuge Manager, or his/her designee, at the duty station will be the supervisor.

Sec. 12 How does this process affect the Student Career Employment Program (SCEP); the Veterans Readjustment Act (VRA) and the Veterans Employment Opportunity Act (VEOA) program; and the Federal Career Internship Program (FCIP) program?

a. Regions may continue to use the SCEP, VRA, VEOA, or FCIP programs to seek applicants or select new Refuge Officers. The Regions do not have to use the centralized process to hire SCEP students, VRA eligibles, and FCIP students into the Refuge Officer program. Regions must notify the Chief, DRLE within 45 calendar days of beginning the hiring process if they intend to hire a SCEP, VRA, or FCIP student to fill one or more of the positions.

b. The host Region will assign duty stations and supervisors to students in the SCEP, VRA, and FCIP programs who are selected as officers for a trainee position.

Sec. 13 Will the Service pay moving costs for new hires? The Service will not pay moving costs for new hires coming into the Federal Government. The Service will pay for a permanent change of station (PCS) move of a current Federal employee otherwise eligible for this benefit. The receiving Region pays PCS costs for those eligible (see [266 FW 1](#)).

Sec. 14 When will the Service evaluate this new program? The Service will closely monitor the process and trainees we hire using this methodology.

a. Factors that DRLE, working with the Regions and Human Resources offices, will track and evaluate include, but are not limited to:

(1) Efficiency of hiring,

(2) Retention,

(3) Mobility, and

(4) Time required to fill vacancies.

b. We will begin our continuous evaluation of the program as soon as we begin using the process.

Sec. 15 When is this Order effective? This Order is effective immediately. It remains in effect until we incorporate it into the Service Manual or until we amend, supersede, or revoke it, whichever comes first. If we do not incorporate it into the Service Manual, amend, supersede, or revoke it, the Order will expire 18 months from the date of signature.
