

Data Format for OMB Regulatory Report

The first data row below explains the style to use in the table. The second data row gives an actual example.

RIN, Title, CFR Citation	Type	Description (Including whether or not rule is significant or major and the name and phone number of a contact)	Ready for Review
RIN, Title, CFR citation <i>[with comma and space between each]</i>	<i>[Use 2-letter code (see below)]</i>	<i>[Not significant. Not major.] or [Significant. Not major.] [If there is a court deadline, provide the date and exactly what is required by that date. If none, say: No court deadline.] [Also retain any OMB designations from a prior report and give the quarter and fiscal year of that report.] [Provide a short summary/description of the action, e.g., We will/propose to....] [In parentheses, give the contact person's name, followed by a comma and phone number in following format: (Name, XXX-XXX-XXXX)]</i>	<i>[Use 1-digit month/2-digit day/2-digit year format]</i>
1018-AC57, Permit Fees, 50 CFR 13	FR	Not significant. Not major. No court deadline. (Q102) This rule raises application fees for permits to conduct activities involving plants and wildlife regulated under the Migratory Bird Treaty Act, the Convention on International Trade in Endangered Species (CITES), the Marine Mammal Protection Act, and other statutes. Permit fees have not been revised since 1982. (Peter Thomas, 703-358-1922)	9/15/09

Key to abbreviations, **Type:** FR = Final rule; PR = Proposed rule; AN = Advance notice of proposed rulemaking; PD = Non-rulemaking policy document (includes Federal Register notices, Service Manual releases, etc.)

NOTES:

1. Please use the format and capitalization in the table above.
2. If there is a court deadline, be specific about what is required by the specific date. e.g.: **Under settlement agreement, final rule must be delivered to Federal Register 10/27/09.**
