

Examples for Preparing and Submitting Regulations

Use the following as an example to modify existing text:

Hunting:

§32.42 Minnesota.

Big Stone National Wildlife Refuge

B. Upland Game Hunting.

Replace the text to read as follows:

We allow hunting of partridge, pheasant, wild turkey, gray and fox squirrel, cottontail and jack rabbit, red and gray fox, raccoon, and striped skunk on designated areas of the refuge in accordance with State regulations [if true] subject to the following conditions:

Condition B.1. remains the same.

Add new condition B.2. to read as follows:

B.2. We allow hunting of fox, raccoon, and striped skunk only during open seasons for other small game species. We prohibit the use of dogs while raccoon hunting.

Use the following example for an addition of a refuge:

§ 32.20 Alabama.

Grand Bay National Wildlife Refuge

A. Migratory Bird Game Hunting. We allow hunting of geese, ducks, and coots on designated areas of the refuge in accordance with State regulations [if true] subject to the following condition: We require a refuge permit.

B. Upland Game Hunting. We allow hunting of squirrel and rabbits on designated areas of the refuge in accordance with State regulation [if true] subject to the following condition: We require a refuge permit.

C. Big Game Hunting. We allow hunting of white-tailed deer on designated areas of the refuge in accordance with State regulation [if true] subject to the following condition: We require a refuge permit.
