of natural gas between the United States and Mexico, was previously published in the Federal Register on November 6, 1998, (63 FR 59,962) and an environmental assessment was subjected to public review. As a result, the applicant received authorization for the 9.3 mile pipeline project from the Federal Energy Regulatory Commission in Docket No. CP99-29 pursuant to sections 157.205, 157.208 and 157.212 of the Commission’s Regulations. In addition, a Natural Gas Act (NAGA) Section 3 Presidential Permit has been issued by the Secretary of State and the Secretary of Defense.

This notice informs the public that this right-of-way application and associated documents is available for review.

Stephen C. Helfert,
Acting Regional Director, Region 2,
Albuquerque, New Mexico.

DEPARTMENT OF THE INTERIOR
Fish and Wildlife Service
Privacy Act of 1974; As Amended; Deletion of Systems of Records

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Proposed deletion of existing systems of records.

SUMMARY: We conducted a review of our Privacy Act systems pursuant to the provisions of the Privacy Act of 1974, as amended (5 U.S.C. 552a), and the President’s May 14, 1998, memorandum concerning Personal Information in Federal Records. As a result of our review, we found 12 Privacy Act systems that needed deletion. We are deleting three systems because they are now part of Department of the Interior, Office of the Secretary systems, another system because it no longer contains personal identifiers, three systems because we no longer collect the information, and five systems because they are now part of another agency’s records.

DATES: These actions will be effective on April 23, 1999.

FOR FURTHER INFORMATION CONTACT: Mr. Johnny R. Hunt, Service Privacy Act Officer, U.S. Fish and Wildlife Service, Phone: 703/358-1730.

SUPPLEMENTARY INFORMATION: We list the twelve systems of records proposed for deletion and the reasons for deletion below.

1. FWS-1, “Labor Cost Information Records,” previously published in the Federal Register on April 11, 1977 (42 FR 19081). The system of records is now part of a Department of Defense, Office of the Secretary system-OS-85 entitled “Payroll, Retirement, and Leave Records—Office, of the Secretary-85.”

2. FWS-2, “Travel Records,” previously published in the Federal Register on December 6, 1983 (48 FR 54715). The system of records is now part of a Department of the Interior, Office of the Secretary system—OS-88 entitled “Travel-Interior, Office of the Secretary-88.”

4. FWS-6, “Hunting and Fishing Survey Records,” previously published in the Federal Register on March 24, 1981 (46 FR 18370). We receive this information from the Department of Commerce, Bureau of Census without personal identifiers. We disposed of any records that contained personal identifiers in accordance with the U.S. Fish and Wildlife Service Records Disposition Schedule.

5. FWS-8, “Fish Disease Inspection Reports,” previously published in the Federal Register on March 24, 1981 (46 FR 18371). We no longer collect this information. Records containing personal information were disposed of in accordance with the U.S. Fish and Wildlife Service Records Disposition Schedule. We transferred any remaining records to those States which still inspect private facilities.

6. FWS-9, “Farm Pond Stocking Report,” previously published in the Federal Register on March 24, 1981 (46 FR 18372). We are no longer involved in the Farm Pond Stocking Program. We disposed of the records in accordance with the U.S. Fish and Wildlife Service Records Disposition Schedule.

8. FWS-14, “Great Lakes Commercial Fisheries Catch Records,” previously published in the Federal Register on April 11, 1977 (42 FR 19088). We no longer maintain the information. The Department of Interior, U.S. Geological Survey is now responsible for the system and data contained therein.

10. FWS-23, “Motor Vehicle Permit Log,” previously published in the Federal Register on March 24, 1981 (46 FR 18376). We no longer collect this information. We disposed of the records in accordance with the U.S. Fish and Wildlife Service Records Disposition Schedule.

12. FWS-29, “Animal Damage Control Non-Federal Personnel Records,” previously published in the Federal Register on December 6, 1983, (48 FR 54722). We no longer maintain the information. The Department of Agriculture is now responsible for the program. The records are now part of a Department of Commerce, Bureau of Census system and data contained therein.

Roy M. Francis,
Departmental Privacy Act Officer.
